

NEWSLETTER ON-SITE DEVELOPMENT

Works are well underway on-site, in preparation for the new mixed-use development at Ascot Road. This newsletter will be issued to local residents and neighbours to keep the community fully informed of current site activities and what is planned in the following weeks.

PLAY EQUIPMENT AT ASCOT ROAD COMMUNITY FREE SCHOOL

We are delighted the new play equipment donated by Cortland has already been put to good use by the pupils of Ascot Road Community Free School.

We celebrated the official opening last month with the Mayor of Watford cutting the ribbon to open the new "Adventure Island".

Cortland would like to thank the Governors, teachers and pupils for such a wonderful day. The team enjoyed a performance of the pupils' favourite song "Give It All You Got" and our chairman, Richard Olsen, was presented with a gold Principal's Award.

Cortland is holding a competition to hear the best stories about Adventure Island. The winning essay from Ascot Road Community Free School will be rewarded with tickets to the Warner Bros. Studio Tour of The Making of Harry Potter!

WORKING HOURS

Below are the working hours for the site:

Monday – Friday.....7.30am to 6.00pm

Saturday.....7.30am to 1.00pm

Works will not take place on Sundays or on bank holidays.

CURRENT WORKS

We have almost completed the demolition of existing buildings. We are looking to prepare the site to commence construction of the new buildings in the New Year.

We will be taking a break over the festive period and the site will be closed from Monday 17 December 2018 until Monday 7 January 2019. The site will have a security presence throughout this period.

We hope you are enjoying the festive period and are looking forward to bringing in the New Year as much as we are. This will be our last newsletter ahead of the Christmas Break and therefore we would like to wish all our neighbours a very merry Christmas and a Happy New Year!

FUTURE WORKS

The programme for these works is not yet fixed but current estimates are as follows:

January 2019 Commencement of construction

We thank you for your patience during these works and be assured that we are taking all necessary steps and precautions to ensure any disruption is kept to a minimum.
